

**TOWN OF WEBB LAKE**  
**2022 Private Road Snowplowing Contract Application**

The town offers plowing to help our residents have access to basic services. The cost for Private Road snowplowing done by the Town of Webb Lake is \$125.00 per road, per season. The private road must meet the town requirements of 20 feet wide and 14 feet high when snow falls. *This means the road clearance must be maintained even after snow weighs down limbs and branches.* Failure to meet these requirements could cause damage to town equipment.

- Minimum 4” of snowfall and the ground needs to be frozen for plowing to occur.
- Public Roads are plowed first, as is required by law. We will not put our road funding at risk by varying from this rule.
- The town is not a private contractor. We may not get to private roads until days after a large storm. Legally, the town has up to 14 days to clear public roads and there is no time limit for private roads.
- If you require faster or specific types of plowing service, you will need to make your own arrangements with a private contractor.
- If you are not satisfied with the town snowplowing of your private road, Webb Lake will refund your money and stop all future plowing of your road.

NOTE: The Town provides this service for private roads **not individual driveways.**

Private Road Name \_\_\_\_\_

Applicant Name \_\_\_\_\_

Applicant Phone # \_\_\_\_\_

Applicant e-mail \_\_\_\_\_

Ending Address/Fire  
Number to be plowed \_\_\_\_\_

Applicant Signature \_\_\_\_\_ Date \_\_\_\_\_

*By signing this contract application, you are agreeing to maintain the clearance requirements. You understand that if there is not enough clearance for snowplow equipment your road will not be plowed. You will be contacted to resolve the issue. Acceptance of the fee does not constitute a contract. The road will be inspected and approved.*

**Make check payable to: Town of Webb Lake**
